Re: John Does 1 Through 7, v. The Taliban, Al-Qaeda, and The Haqqani Network, No. 6:22-cv-00990

Dear Judge Dancks:

On November 2, 2022, pursuant to this Court's Order (Dkt. 16), the Clerk of Court issued the Writ of Execution directed at the Bank of New York Mellon (Dkt. 17).

According to Fed. R. Civ. P. 4.1, "Process—other than a summons under Rule 4 or a subpoena under Rule 45—must be served by a United States marshal or deputy marshal or by a person specially appointed for that purpose."

It is our experience in matters such as this one that a private process server can accomplish the service with the least delay, and without taxing federal resources. As such, we respectfully request entry of a docket text entry Order/notation order on this letter, specially appointing the following process server to serve the Writ of Execution (Dkt. 17):

Brent Whittington
TruServ Legal Support
500 Seneca Street #865
Utica, New York 13502

Thank you for the Court's consideration. Please advise if the Court requires anything further.

Sincerely,

/s/ Orlando do Campo
